## Pastor's Thoughts

**Gr**eetings in the name of our Lord and Savior Jesus Christ!

My favorite time of the year is right around the corner. It is almost football season and I am so excited. Each year at this time I always think back to the frame of mind that I had when I played football during the month of July in preparation for August.

August is the month that we reported for camp and one of the first things that we did was take a

preparing for the upcoming season. As I thought about that this year, a question came to mind that I want to ask you: are you game ready or have you been preparing to be successful in the Christian life? Being game ready takes preparation, discipline and commitment.

If I would not have been running, lifting weights and watching my diet during the summer, I would not have been able to pass the fitness test when I reported to camp. The same holds true in the Christian life. If I am not committed to spending time in God's word, being in attendance at bible study and Sunday school and involved in sharing my faith, then I will not do well when I take the spiritual fitness test and we take those tests every day. Being game ready is a choice, what will you decide?

## Hidden books - TRIVA

How many books of the Bible can you find in the paragraph below? There are 15 books from the Old and New Testaments.

I once made some remarks about hidden books of the Bible. It was a lulu - kept some people looking so hard for facts and studying for the revelation that they were in a jam. Especially since the books were not capitalized. But truth finally struck numbers of readers. To others, it was a real job.

We want it to be a most fascinating few moments for you. Yes, there will be some really easy to spot. Others require judges to determine. We must admit it usually takes a minute to find one, and there will be loud lamentations when you see how simple it is. One woman says she brews tea while she puzzles her brain. Well, get to work if you want to complete it. Good luck! Hint: Look on page 2 .

## Prepare for Disaster

Got a plan? Get a plan!  
 Being prepared for any disaster is a great way to ensure that your family will

be ready in case of an emergency. August and September is the most active months of the hurricane season. The attached website: <http://www.floridadisaster.org> is a simple process to establish a "Family Disaster Plan" through the Department of Community Affairs in the event of a hurricane or other emergency event requiring you to leave your home for several days. You will be required to enter very basic information and when completed it will give you a detailed plan with recommendations for evacuation routes, pet supplies, family meeting location, and food, water, medicine, ice, and first aid kit. Also, you will have access to your county's local emergency contact numbers and a checklist to follow pre and post event. It's a 5 minute process which may make you and your loved one's life a little easier in the event an untimely disaster or emergency

## Just for Kids

*(Continued from page 1)*

chapter contains many different verses

The Bible's Books are Sixty Six The Spirit - their recorder; Their stories - how they can transfix. (Transfix means to amaze) Here they are - in order:

The Old Testament Promise: The Savior is coming!

The New Testament Promise: The Savior has come!

OLD Testament in GENESIS I will begin

With Adam, and with Eve

Who knew not any form of sin 'Til Satan did deceive.

Now EXODUS will tell us most Of Moses - Man of God, And how he led all Israel's host When many miles they trod.

To LEVITICUS you have to turn And read about the law;

The sacrifices which did burn Unblemished - without flaw.

The next one tells of sin and shame And how it all encumbers.

This book is good - here is its name DEUTERONOMY - after NUMBERS.
