

What is the American dream?

Pastor's Corner

Many spend a lot of time and effort trying to be successful in achieving the American dream, but the sad reality is that the American dream is actually the American nightmare. Why? Because you can never achieve it, you will always be seeking more.

More money, bigger home, nicer car, another championship and the list goes on and on. When God created us, He created us with a need for Him in our lives and He is the only one that can fill that void.

The problem with the American dream is that it tries to fill a void that only the Lord Himself can fill and our pursuit of it distracts us from what is most important in life. The key to solving that problem and securing success and prosperity for you is through obedience to the word that God shared with Joshua in chapter 1 verse 8. Instead of chasing the American dream, chase God's word and do what it says and

when you do, success is guaranteed.

Feast or famine!!!

We can't do it alone.....

There are many things which a person can do alone, but being a Christian is not one of them. The Christian life is, above all things, a state of union with Christ, and of union of his followers with one another.

Love of the brethren is inseparable from love of God. Resentment toward any human being cannot exist in the same heart with love to God. The personal relationship to Christ can only be realized when one has "come to himself" as a member of His Body, the Christian fellowship.

Happy Birthday April Babies!

Our desire is to make a difference, one family at a time.

A Prayer in Spring

-Robert Frost

Welcome Spring! Oh, give us pleasure in the flowers in the flowers today;
And give us not to think so far away
As the uncertain harvest; keep us here
All simply in the springing of the year.

Oh, give us pleasure in the orchard white,
Like nothing else by day, like ghosts by night;
And make us happy in the happy bees,
The swarm dilating round the perfect trees.

And make us happy in the darting bird
That suddenly above the bees is heard,
The meteor that thrusts with needle bill,
And off a blossom in mid-air stands still.

For this is love and nothing else is love,
The which it is reserved for God above
To sanctify to what far ends He will,
But which it only needs that we fulfill.
