UNITY BAPTIST CHURCH

UBC Today

Volume 2, Issue 5  
 May 2008

Our desire is to make a difference,  
 one family at a time.

**Remember to Remember!**

On Memorial Day, it is important to pause in gratitude to all those upon whose shoulders we stand. We should remember with great appreciation those who died making helpful, positive

contributions — whether large or small — throughout human history. As Christians we should be especially grateful to those whose faith, service and love have enabled us to know the Gospel and its vast implications for the entire earth.

Without our Christian teachers, pastors, missionaries and the ordinary servants of Christ, we would not have the Good News which is like a great light shining in the world's darkness. They have made sure Christ's precious "light" has not gone out or been diminished.

So please remember to honor these heroes on May 26, they made the supreme sacrifice on our behalf.

**“God is not limited by the economy”...**

**What's going on with our economy?**

**Gas is at an all time high, the value of your home increases with each passing day and the government is trying to determine whether or not we are in a recession or is it just a down turn. If we are not careful, we could become very depressed with the current state of affairs.**

**During my devotional reading this morning, God really blessed my heart as I examined 1 Kings 17. King Ahab was a wicked king and had done great evil in the sight of God by building an altar to Baal and had instituted the worship of this idol. As a result, it did not rain for three and a half years. During this time, He provided for the prophet Elijah first by sending ravens to feed him and then sending him to Zarephath.**

**When he gets there he meets a widow and asks her for some water and to bake him a cake. She states that she only had a little flour and oil and that she was going to go bake a cake for her and her son and then they were going to die because of the famine in the land. Elijah gave her some specific instructions concerning what she needed to do and she obeyed. As a result, God blessed her and met her needs.**

**If we respond in obedience to the word of God, He will provide for us as well. God is not limited by the economy. There are not certain economic factors that need to be in place in order for God to meet our needs. Be faithful to God and He promised to take care of our needs. He will make sure that you have money for gas. He will make sure that you have money for food and clothing. He will make sure that you have everything that you need. Remember this is the day that the Lord has made, let us rejoice and be glad in it!!!**

**It's A Girl!**

**Congratulations! Ray and Rosemary Isham and "Big Brother" Lil' Ray welcome Rachel Halie Isham into their home on April 10<sup>th</sup> weighing 6 lb. 6 oz.**

**For All That You Have Given Me, Mom**

**For all that you have given me,  
I can only return but love. For you  
Bound up the wounds I did not see  
And gave me hopes and passions new.**

**You were always there when the world turned on me, encouraging me that God would see me through. I love you for seeing past my faults and embracing me still.**

**Whose unmoved faith my heart did move,  
And patience I did try, the warm smiles you gave me when I didn't deserve one. Who taught me how to love my own unconditionally. I became the soul I am.**

**The mother of my heart, I can only love you more, because you first loved me. You've always been my best friend. Thanks, for all that you have given me.**

**Happy Birthday  
May Babies!**
